SECRET CRUSHES

We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd wash their car, meet their parents, or just that you have a secret crush on them!

: Lena was the just pick-me-up I needed when I got home
: last Tuesday. I had bought the *Swank* (#228) issue the day
: before, but didn't have a chance to read it. I like the nice
: pictures and the mindless verbal entertainment (no offense
: to the editors). As I thumbed through the issue, I was blown
: away by Lena Nicole. I was not familiar with her, so she
: was a pleasant surprise. Her long lithe body is just my type.
: Her long blonde hair was just my type. I lingered over the
: photos and imagined that I could see her in person. That
: would be cool. I tried to find out more about her, but that
: was limited so I just have to do with what I saw here, and
: that marvelous video of her on your website.

– Sean, Jacksonville

I love me a full figured woman. There's more cushion for the pushin'. There's no bones to grind on you, and above all, her lady parts are fuller, and plumper, and sexier. Ever since I can remember, I have been attracted to Rubenesque women. Shall I tell you why? Well, my eighth grade Latin teacher was a little plump, but she would always wear low cut dresses. She was about 45 and not that pretty, but she had great cleavage, and it was freckled. I would sneak peeks down the front of her dress and catch a glimpse of her lacy bra. While I do not remember any Latin, I do remember Mrs. Haskins. So, to see Karlee Grey in your last issue, I was, needless to say, extremely excited. She the perfect woman. Not a girl anymore, and that's perfect for someone like me. So, thanks again.

Victorio, Pomona

MEETING A FIRST TIME LOVER CAN BE STRESSFUL, BUT THAT WON'T LAST.

Lorraine recollects the time when she and Chloe first met. The account of their relationship begins somewhat awkwardly and then heats up. Fortunately it has not yet ended. Grab your eyeglasses, a cup of coffee, your stuff... and enjoy.

The traffic is light as I head towards Chloe's apartment. It is almost time to meet her for the first time. My cell phone is on the seat next to me. I smile at the thought of hearing Chloe's voice. I expect she will be fresh from the shower and ready for some lady-loving!

Chloe tells me she has a large appetite for sex. Her passions inspire me and I want to be the best lover I can for her. She has responded to my willingness to try different things and to take the time to arouse her deepest passions before I seek mine. I have never seen her in person, but the pictures she shared with me over the internet and cell phone has fired my imagination. I just know her sweet treasure will be wet and juicy and ready for me.

My cell phone rings. It's her. She tells me she is home and awaits me. She is dressed in a short white summer dress. Her giggle is throaty and almost filled with anticipation. Her slight southern accent only makes her more desirable. We had planned a wine party to get things started and she seems true to her word.

Chloe's tells me how excited she is to see me as I tell her that I'm turning onto her street. I say that I'm dressed in a little flower-print dress and bringing a surprise along with me, but will have to show it to her later. "It's robin egg blue." I say. I tell her that I'm parking the car in front of her building. I ask if I can come in. The question hangs in the air. I ask if she is still there? I am worried that she is still nervous. I am worried that I have read too much into our shared passions; more than she ever intended.

I head up the front stairs to her house and knock on the door. What seems to be an eternity for me, she finally answers. We say 'hello' to each other with huge smiles as we see that the attraction is there. After all the months of back and forth emails and photos, this is the beautiful woman I saw and she is happy to see me, too. Not wanting to be obvious on the door stoop, she invites me in, closes the door and gives me a big hug. Our breasts touch in the embrace and I feel her

fullness. Her face is beautiful, as is her body, and I cannot wait for us to be together. Chloe tell me she is ready to feel my body; ready to take all the loving I can dish out. Now I am a little worried; a little performance anxiety, perhaps.

I drop my bag by the door as she escorts me in and offers a cup of coffee or tea. I politely refuse but ask for some wine because the warm Houston day has made me thirsty. I look at her as she leaves the room. Her figure is awesome and her hair is gorgeous. She returns from the kitchen and places the glass in my hand. I thank her smiling as I sip and refresh myself. We make small talk for an hour and then the conversation begins to get more erotic. She tells me about some of her experiences, with both men and women. I am the more quiet one and but I feel comfortable telling her about some of mine. We talk and giggle like school-girls. When we reach the comfort level we seek, she tells me that she wants to see my toenail polish and the cute shoes that show it off.

I stand and offer my feet for her inspection. She holds them tenderly and begins to caress and lick them. I respond and after a minute am on my back on the sofa so she can more fully adore them. My dress has hiked up and now my panty is exposed and it seems to fuel her ardor. She arches over me so her pussy is just over my face. I kiss the insides of her silky thighs and work my way up to her treasure. Still covered with the fabric, I nuzzle it like in anticipation. Slowly we both get upright and unbutton our dress fronts. Our breasts are exposed and again we giggle complimenting each other. Hers are full with perfect sized nipples ready to be licked and sucked. Which, of course, I oblige.

Next it is time for the panty to release its hidden secrets. As they are pulled down, I notice she has the same cut as me. We both like a little hair down there, but clean shaven around the pussy lips. I cannot take in everything that I want to see. I am on sensory overload. Her slit is shaved smooth. I can just see the pink of her inner lips peeking out. Her nipples are erect. Her smile is so welcoming. I know that I made the right choice. Finally, my gaze settles into her eyes.

Chloe breaks the spell and the silence by asking me if I like what I see. I manage to sputter out that I am enthralled. I can feel my pussy getting wetter with anticipation. She beckons me to bend over so she can lick my sweet pussy. I lean over the back of the sofa as she pulls down my undies nestles her mouth into my posterior. I feel her tongue probing my pussy lips and rising up to my puckered hole. The feelings are sublime. She pulls off my panty and I take her dress off leaving her in just her panty. I rip the crotch open to get to her sweetness and she moans with desire.

I gaze at the object of my affection and just as I close in to lick her, she pushes me back on the sofa saying she's not done with me yet. I see a sly smile break across her face as she begins with my nipples and works her way down to my pussy. Pulling my pussy lips open, she attacks my clit like a velvet warrior, soft yet hard. I lean back, close my eyes and take in all the senses that her swirling tongue delivers.

Lost in her love I climax quickly but she continues to lick me, inserting her fingers deep into me, thrusting them in and out until I cum again and again. I have to close my thighs. I cannot take any more for the moment. She sits up, her long tresses framing her beautiful face and her mouth wet with my juices. She bends over to give me a deep kiss and I taste myself and get even more excited once again. I hug and caress her. Her skin is softer than I imagined. Her vanilla-scented perfume mingles with the raw musky scent of our sexed-up body chemistry. Bending my head down, I kiss her again, parting her lips and thrusting my tongue past her teeth. Chloe kisses me back with even more energy and passion than before.

My free hand begins to caress Chloe's breasts. Gently I twist and pull her nipples and she moans with pleasure. She kneels to unfasten my shoes and pulls them off. I am naked before her. I make her stop so I can get the bag that I had dropped in the corner. I pull out a large dildo. She smiles with approval. We discuss the virtues of a dildo over a cock laughing at the "my cock rules" attitude most of them have.

She gets on her knees taking it in as far as she can, looking up at me with big doe eyes. She reaches back and fondles herself as I take in the sexual spectacle before me. I tell her to get on her back as I hold the toy near my pussy and she leans back to lick it once again. I want her to touch herself so I can watch. Immediately her hands slide down her body stopping at her full breasts and rubs them until her nipples are rock hard. They continue down the firmness of her belly to her pussy where she begins to rub her clit with one hand and hold her pussy lips open with the other so I can watch. Her legs part a little wider to allow her to slip her fingers in all the way. I can see from the look in her eyes that Chloe is getting fully aroused and excited, and it excites me even more.

Chloe's passion is contagious. Chloe's body trembles when I pull on her nipples. I take the dildo and insert it gently into her juicy pussy. I'm now slipping the vibrator in and out of her tight hole. She trembles and her first release rocks through her body. She begs me for more and I oblige. We sixty-nine with the dildo passing between us. Six hours of pure sexual bliss pass between us, and then we head to the bedroom to nap.

BLAIR-NTS-09

Wishful Thinking

Samantha Saint

Us: Good morning Samantha. Thank you for getting up so early to talk with us.

Samantha: No problem, I'm an early riser anyway. Oh, call me Sam. I prefer it.

Us: Ok then, thanks. We've come to learn that you are a lingerie hound. Is that true?

Samantha: Well, the 'hound' part is not true. I prefer 'afficianado.' But yes, I love lingerie.

Us: We also have heard that you spend a lot of money on it. Yes?

Samantha: Yes, and no. There is a lot of it that I've received as gifts from men and women. But I admit that I've also spent more than I probably should have.

Us: Care to say how much?

Samantha: Not really, but I will say that I once dropped almost \$2000 on some lingerie in a single afternoon. Now that was fun!

Us: Did you try them all on first?

Samantha: I went with a girl-friend, so she was a lot of help. I'd try on one style first and if I liked it, I'd get a couple more colors. I'll also admit that one time, okay, more than one time we'd fool around a little bit in the dressing room. Nothing too heavy or prolonged, because I didn't want to get banned from the store.

Us: What's your favorite type and color of lingerie?

Samantha: I mostly like bra and

panty sets. Add a garter and stocking and I'm ready to rock your world. I love shelf bras. They're like half bras where my nipples are above the fabric. Very sexy. My favorite color is red or maroon. It's the color of passion and looks great in low bedroom light!

Us: May we ask if you have any crotchless panties?

Samantha: Yeah, I do, but they are mostly for show. I really don't like having sex wearing them.

Us: Why is that? Aren't they made for having sex in?

Samantha: Well, they are, but if you ever do, the lace where they split is a hassle. If a guy's fucking you, the fabric gets shoved into your pussy and after a few minutes, it starts to chafe against the pussy lips. Not fun. But, I will say, that if someone is going down on you, it's not a problem because they can easily pull the fabric aside. Also, if the guy has a mustache, beard or stubble, it is a good buffer.

Us: Do you like to have sex in lingerie?

Samantha: That depends on the type of lingerie. If it's a teddy or something like that, I like to get the button front ones because it gives access to my boobs. I also like leather corsets and panties if I'm into the kinkier aspects

of sex that night. But leather gets really hot if you have to leave it on for very long. Remember, having sex for the camera is much different than in your personal life. But my favorite lingerie is a garter bra and panty set. The visuals for my partner are a really sexy and a turn on. You can lose bits as your love-making session goes on and still have some pieces left on the body. Most of my partners tell me they love fucking me in garters and stockings. I like that too.

Us: Do you wear lingerie under your street clothes?

Samantha: Ugh! Now you're going to make me give away one of my secrets. I wear sexy lingerie under my sweats when I go

to the market or just out. It makes me feel good and sexy no matter what my mood is, or wherever I'm going!

Us: Okay, we cannot hold back any more. How much lingerie do you actually have?

Samantha: Wow, you're not supposed to ask a woman that! But you know I can't keep a secret from you... I have a whole wall of drawers in my closet full of lingerie that are not my every day undies. Let me see... about 30 drawers with five bra and panty sets each. Then about 50 hangers with stuff on them. And then there's the garage...
